

1. Cut the first two target pictures (ending sound /th/ and /sh/) and place them face up on a table.
2. Cut the pictures in the table below, separately, and place in a bag.
3. Child picks a picture from the bag and matches it to the target picture that has the same ending sound. Example: 'earth' goes under 'tooth' and 'brush' goes under 'fish'.

tooth, fish
earth, brush, bath, moth
math, wish, dish, cash, path
