

1. Find small things to be used as markers, such as, caps, coins, buttons, etc...and one muffin tin.
2. Cut the pictures and place each one faced down into each section of the muffin tin.
3. Invite your child to throw the marker (cap/coin/button/etc.) into the tin.
4. If the marker lands in the tin, encourage your child to turn over the picture in that section and say the initial sound of the word using a clear voice sound.
