

1. **Adult says a phrase. E.g. cat in a hat**
2. **Child represents the phrase heard and places a block while saying each word.**

Example: cat in a hat = 4 blocks

3. **After a few trials, adult can extend the activity from phrases to short sentences.**

Ideas	
cap on a tap	The pan is black.
hat on a mat	We need a fan.
man in a van	My bike is big.
tag on a bag	The dog ran home.
